Subject: Requesting for extension of Affiliation.

Respected Sir/Madam,

With respect to above subject, our school got affiliated on 01/03/2021 till the senior secondary level. Affiliation no 831130 and the school code is 46763, expiry date. Is 31/03/2024.

According to affiliation order we got the provision of appearing 12th board examination for the year 2023 March. But we could not produce the students due to lack of admission. Our school has affected very badly by covid-19 pandemic. Lot of migration and dropouts. Since 2 years that is from 2021-23 we are trying to stabilize the school strength.

For the academic year 2023-24 strength has been stabilized and could manage to get admission for grade11. There are 46 students have been enrolled with us from different schools.

Hence I request you to give the approval for the Extension of Affiliation. Kindly do the needful.

Thank you
